JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Alpha-Delta Installation

Alpha-Delta (Kansas State Agricultural College) Chapter was duly installed on Tuesday evening, May 30, by National Secretary Abel J. McAllister, assisted by the writer. The program of the evening began with a dinner at 7 o'clock, followed by the installation ceremonies.

The petitioners conducted themselves splendidly throughout the ceremonies. The future for Alpha-Delta looks very encouraging. The men selected were of excellent ability and with definitely planned careers in Education.

Five local Phi Delta Kappa men were represented on the installing team: Dean E. L. Holton and Prof. P. P. Brainard of Beta, Dr. J. C. Peterson of Zeta,

Prof. F. L. Hisaw of Gamma, and Prof. V. L. Strickland of Omicron.

The following are the men initiated: Allan P. Davidson, C. V. Williams, G. A. Gimmel, J. T. Quinn, B. H. Fleenor, J. W. Barger, E. T. Burke, L. A. Dumond, J. A. Glaze, E. E. Willison and Karl Knaus.

A short meeting was held after the installation for the election of officers and the discussion of plans for the summer session. The officers elected are:

President, J. W. Barger; Vice-President, Karl Knaus; Corresponding Secretary, G. A. Gimmel; Secretary-Treasurer, J. T. Quinn, and Historian, B. H. Fleenor.

EVERETT GUNN,
President Kappa Chapter.

Alpha-Epsilon Installation

With the establishment of a chapter of Phi Delta Kappa at the University of Southern California, we have the promise of another fertile field in which the Fraternity can take on real growth. Dr. Rogers, Dean of the School of Education, has the aid of six other true Phi Delta Kappans in the University faculty guiding the neophyte organization.

Twenty-two "live wires in education" became brothers in Phi Delta Kappa, Saturday evening, June 10th, 1922. Dean Rogers has fostered an Education Club for two years, taking advantage of that time to make his observations. This organization afforded a splendid nucleus from which to choose in finding candidates for Phi Delta Kappa. The charter group, having been associated in educational endeavor and well prepared in Phi Delta Kappa ideals, has everything in its favor for becoming a "going concern." With an active Phi Delta Kappa Alumni organization such as we have in Los Angeles, Alpha-Epsilon will have an example as well.

The initiation ceremony was in charge of Brother J. David Houser, National Historian. Brother Lowry Howard, District Deputy, and Brother Charles Stech accompanied Brother Houser from San Francisco to assist in the initiation. Brother W. H. Hughes of Claremont made up the fourth member of the team. The installation very appropriately took place in the reception parlors of the University. After the ceremony a banquet was served at the Clark Hotel. The table was arranged in the shape of the letter Delta. Brother J. Harold Williams spoke for the Alumni Chapter and Brother Houser for the National Organization. With the other speeches the evening ended, every one present feeling justified that Alpha-Epsilon Chapter will take its place as an active college chapter.

The visiting members of the installation team wish to express their sincere appreciation for the courtesies shown them by the group and especially Dean Rogers.

LOWRY S. HOWARD,
District Deputy.

The July N. E. A. Boston Meeting

The Phi Delta Kappa luncheon at the Boston meeting of the National Education Association was held on Thursday, July 6, in the Banquet hall of the Boston City Club. Seventy-six members of the Fraternity sat down together at twelve thirty.

Dean Henry W. Holmes of the Harvard Graduate School of Education acted as toastmaster. In his introductory remarks, Dean Holmes expressed regret that no member of the National Executive Committee could be present and ex-

tended fraternal greetings from President Gray and the national officers. To his mind, he said, the great value of Phi Delta Kappa lies in the fact that it establishes a national bond among men of avowed professional purpose in the field of education. He emphasized particularly the selective and honorary function of the Fraternity in the work of the local chapters and the constructive program of the national body under the ideals of service and fellowship.

The first speaker was Professor George
